$17.00 an hour
+ 4% vacation pay
REMEMBER
RESPECT
RECORD
“Archivists have to do more than just try to convince people that we are useful. We have to become useful with the real problems of records and information management in the 21st century. To do this, we need to reach beyond our professional and institutional boundaries and work directly with the public whose interests we serve.”

D. Richard Valpy, Archivaria 82, 2016
1. **Redefine archives to meet 21st-century realities**
1. **Redefine archives to meet 21st-century realities**

2. **Incorporate recordkeeping requirements into technology to support “archives by design”**
